

## God the Father's Healing Prayer

### A new prayer from God the Father to help His children in this time of battle

December 2019 Prayer with June 7, 2020 Additions

I, God the Father am giving this Healing Prayer because I love all My children. This Healing Prayer is needed because of the evil times you are now living in. I am an all loving God but also a just God because you cannot be all loving without being all just. Love, God the Father of Heaven and Earth. Amen.

When praying this healing pray over another person, both individuals must join hands to form a circle. If this Healing Prayer is being prayed over the phone, ask the Guardian Angel of the person you are praying for to hold hands with you, and ask your Guardian Angel to hold hands with the person you are praying for in order to form the circle. Then you will be tied to them by their angel and your angel as if you were face to face holding each other's hands.
