

May 12, 2024 Adoration Chapel

Hello my dearest Jesus ever present in the Most Blessed Sacrament of the Altar. I adore You, my Lord, my God and my All. All praise, honor and glory be to You, my Savior. Thank You for this glorious holy day, Jesus.

Happy Mother's Day to you, Blessed Mother! Please tell my earthly mother I love her and wish her the happiest Mother's Day. We miss her terribly! Blessed Mother, thank you for interceding and intervening for us, your earthly children. I love you!

Lord, thank You for a successful surgery for (name withheld). I pray his eye will heal and he'll be able to see, Jesus. Help him to get the other eye corrected soon, Lord.

Jesus, thank You for the conversion of (name withheld). It's been an incredible journey that I know isn't over yet. Praise You, Jesus. Lord, I'm trusting You. Bless his children/my grandchildren and help them all to grow closer to You, Jesus. I pray this for all of our grandchildren. Jesus, I continue to pray for (name withheld) and her children, for their conversion to the Faith. Also, for (name withheld) intentions. Cover us all with Your precious blood and hide us in Our Lady's mantle. Be our refuge, Lord. Glory and honor to You, the Way, the Truth and the Light. Help us as we navigate the rough waters of society, Jesus where so much corruption is right before our eyes. I pray for our beloved Church. Jesus Christ, Son of the living God, have mercy on us, for we are sinners. Thank You for Mass and Holy Communion. The homily was very good, Lord. I pray it touched souls, especially those who were visiting for the first time. Please bring all fallen away Catholics back to Church. I pray for those who will go through the Warning/Illumination of Conscience. Give them the needed graces to decide for You, Jesus.

Lord, I've done all of the talking! Do you have anything to say to me?

"Yes, My daughter. There is much to say but for today I simply say to remain at the ready. Be in a state of grace removing all barriers for distractions, so that you focus on Me. Things will begin to change, My children. Be prepared. Pray, fast, seek reconciliation and mercy. Frequent the Sacraments. Be joyful even in the midst of trials and suffering. Mankind is still not aware of what evil people are planning. Remain close to God and steadfast. Do not be afraid. I, your Jesus am with you. I am your port in a sudden storm and in all storms."

Thank You, Jesus. Lord, I'm struggling to remain awake. I haven't been getting enough sleep. Please forgive me for "drifting" and not focusing on You. It's so very peaceful here, too. I do love You, Lord.

"I know, My child. And, I love you. I understand."

I don't want to fall asleep like Your Apostles did when You were in the Garden of Gethsemane. I know it's not the same level of urgency, but still, the Church is in its agony.

"Yes, My child. It is and this is why I encourage you to pray more, fast, read Sacred Scripture and attend Holy Mass and the Sacrament of Reconciliation. Remain in a state of grace, My child. I tell you this for your good and the good of others. My child, this is all for now. Spend some quiet time reflecting on Me. Let us gaze at one another. Be assured of My love."

Thank You, Jesus!
